

**Grammarly is a learning tool that works one-on-one with a student to develop writing skills, reinforce proper revision habits, and prevent plagiarism.**

### **Beyond Grammar**

Grammarly goes well beyond finding standard spelling, punctuation, and grammar errors. We use AI-powered algorithms to show students how to improve clarity, word choice, and style, saving time for both students and faculty.

### **Built-In Plagiarism Checker**

To support your research, every Grammarly EDU license includes a plagiarism checker. Compare text to 16 billion web pages, plus major proprietary databases of scholarly journals.

### **LMS Integration**

Grammarly integrates directly with your browser, working seamlessly with Canvas, Blackboard, D2L, and many other platforms.

# Searching Across the Web

Grammarly crosschecks students' writing and highlights passages that have been published previously elsewhere.

Scans against over 16 billion web pages and thousands of articles licensed by ProQuest™.

Provides citation assistance.

**Grammarly is trusted by students and faculty of over 600 schools and universities, including:**

The history of the United States is what happened in the past in the United States, a country in North America. Native Americans have lived there for years. English people in 1607 went to the place originating in North Virginia. Other European settlers went to Europe and England, and later Great Britain, France, Spain, and the Netherlands also colonized North America. In 1775m a war between the thirteen colonies and Britain began, when the colonists were upset over the changes in British policies. On July 4, 1776, rebel leaders made the United States Declaration of Independence. They won the Revolutionary War and started a new country. They signed the constitution in 1787 and the Bill of Rights in 1791. George Washington, who had let the war become its first president. During the 19th century, the United States gain much more land in the West and began to become industrialized.
